SCHILLER MOTORS TO EXPAND HERE

DODGE AGENCY HERE TO HAVE BIG NEW PLANT

A major progress development along Automobile Row in Cameron finds the Jerry Schiller Motor Company, Dodge and Plymouth dealers, making plans for an expansion of their business.

Jerry Schiller said early Tuesday that his company had purchased the Taylor property from Mrs. G. B. Taylor at the corner of North Travis and highway 190 and will build a new agency plant there.

Mr. Schiller is now advertising the residence on half of the block, for sale, to be moved away. The full plan in this transaction calls for the construction of a fine new building to house the Dodge and Plymouth agency and perhaps other facilities to give service in this rapidly growing central Texas auto concern.

Observers here were congratulating Jerry Schiller Motor Company on their plans. It means, they point out, an expansion of the business area and a much needed re-location of industry. Getting away from the concentration in an over crowded business district will make more modern and much better the facilities so necessary in this type of business.

Mr. Schiller cannot announce plans in detail at this time but the new building and re-location of the agency is the main objective in this important transaction.

Associated in the agency is Milton Schiller, brother of Jerry, who shares the enthusiasm for the new expansion.

THREE ARE INJURED IN SATURDAY CRASH

Three were injured late Saturday on highway 36 at Buckholts and charges of assault with an automobile have been filed against a Galveston man.

Mr. and Mrs. J. O. Zawadzke and daughter, Georgia, of Cameron were hospitalized following the accident.

George T. Hosea of Galveston was placed under arrest at the scene of the accident by highway patrolmen Jack Higginbotham and Jack Gaines and was charged with assault with an automobile.

According to the patrolmen Thomas was on his way to Temple and the Zawadzke were returning to their home in Cameron. The cars collided at a sharp turn at the edge of the City and were demolished. Thomas, whose car was thrown from the highway into a ditch, was not injured.

Mr. Higginbotham said the case against Thomas was filed in County Court.

JOHN EDWARD TEMPLE BURIED AT CROCKETT

John Edward Temple, 65 died at his home, at 1206 North Crockett, Cameron, at 10:00 a. m. March 24, 1949 after a prolonged illness.

Mr. Temple was born in Crockett, Texas in 1882.

The body was carried to Crockett by the Marek-Burns Fuenral directors where funeral services were conducted by Rev. P. A. Corkern, pastor First Baptist Church, Cameron, assisted by Rev. Hester of Crockett, at the Callaway Funeral Home at 5:00 p. m. March 25, 1949. Burial was made in the Crockett cemetery.

His survivors include his widow, Mrs. Nancy Temple of Cameron, three brothers; Jesse Temple and Doc Temple both of Crockett and B. F. Temple of Humble, Texas, three sisters: Mrs. Hugh Long of Houston, Mrs. Lipscomb LeGory of Crockett and Mrs. Daisy Brown of Fort Worth.

O. D. Springer of Cameron is a surgery patient at Newton Memorial Hospital, and is reported to be resting well.

STOCKS GO UP UNDER NEW MARGINS

LEADERS HERE PAID FOR CONTINUED GOOD FAITH

Community leaders who saw the possibilities of the National Guard Artillery Unit here and who struggled to keep it alive when it appeared it might be lost, were being well paid for their perserverance today.

Purchase of 20 acres of land and the allocation by the government of $45,000.00 to construct the first unit of a complete Armory base, was ample proof of the value o fthe guard unit.

Capt. Rudolph Michalka, commanding the unit was a happy man and all officers and enlisted men were greeting the announcement with renewed interest in the development of the unit.

Recruiting in the early stages of the Battalion was slow but recently the number has increased and now since the improvements are to be made it is likely that a waiting list will be necessary.

Cameron must count as a privilege the opportunity to share in the cost of this development.

All the Community will have to do is to pay around $3000.00 for an improvement that will ultimately involve around a half million dollars.

The Chamber of Commerce has been a leader in visualizing the importance of the establishment of a National Guard unit in Milam County.

Special credit is due Lloyd Albertson, Publicity Director, for the Battalion, for his campaign to enlist interest. His publicity stories have paid off in a big way.

RAPE CASE WILL BE TRIED IN CALDWELL

Jimmy Smyth of Hearne, charged with rape, will be tried in Burleson county, it was disclosed by Ed Gunn County Attorney.

Smyth was arrested in Hearne following the offence committed against a teen-age girl from Gause on the night of March 22, by sheriff Carl Black and placed in Milam County jail.

At the time of Smyth's arrest it was not definitely known where the offence was committed. Since the rape occured in Burleson County off highway 36, jurisdiction lies in another judicial district, therefore the case will be tried in Caldwell.

Legal questions involved in the case were thrashed out in Cameron Monday. Smyth was taken from Milam County jail by Burleson County officers who were accompanied here by Leslie Williams District Attorney from Brenham.

ROSS S. STERLING DIED AFTER LONG ILLNESS

Ross S. Sterling, former governor of Texas, died in a hospital in Fort Worth Friday after a long illness.

He was 74.

He entered a Fort Worth hospital last September suffering from a heart ailment.

He was governor of Texas during the turbulent years of 1931-32 when the worldwide economic depression was being felt in the state in full force. Tall and massive, he stood as the central figure in a whirlwind of state legislation.

Mrs. Wm. Cobb of Weslaco, formerly of Cameron and Mrs. Clifton Tucker of Dallas visited friends in Cameron Wednesday. They were on their way to Lampasas where they will visit in the home of Mrs. Cobbs sister.

Special Interests Blasted By Woods In G-A Bill Fight

AUSTIN, March 28—State School Supt. L. A. Woods charged today that the Gilmer-Aikin Bill abolishing his elective office is a device of special interests who seek absolute control of public education.

Dr. Woods hurled the strongest and most serious accusations he had made to date against Senate Bill 115 in a memorandum to members of the Legislature.

"We know that in reality the original proposals did not bubble up from the masses, but were imposed subtly from above, in complete accord with the pre-conceived purposes of the inspirers of the Gilmer-Aikin Committee bills," Dr. Woods said.

"It is quite natural and understandable that the special and powerful interests of this State simply want to protect themselves as much as possible from increase in taxes by getting into absolute control of public education, which already costs annually about 37 per cent of all State expenditures," Dr. Woods reasoned.

Francis Cox To Judge In League Band Meet At San Antonio

Francis Cox, director of the Yoe High School Band, will leave the city Thursday afternoon for San Antonio where he will officiate as a judge in the Texas Interscholastic League Region 6 Band contest.

The contest is to be held Friday morning, April 1 at the Lady of the Lake College. Some 30 bands from cities surrounding San Antonio are expected.

The program includes the usual band concert playing, sight reading for bands, solo playing, ensemble playing, student directing and others.

Mr. Cox expects to return to Cameron late Friday or Saturday.

Bell County Man Is Nabbed By Marshal On Bad Check Charge

Demp Robinson of Temple was placed under arrest here by City Marshall Jim Mcoldrick for drunkenness and later turned over to Bell County officers.

Mr. McGoldrick said after he had placed Robinson under arrest it was found he was wanted in Temple for passing worthless checks. He was returned to Bell County by Texas Highway patrol officers.

Mrs. J. B. White Is In Newton Hospital

Mrs. J. B. White, associate editor and office manager for this newspaper, entered Newton Memorial Hospital early Tuesday for treatment of a sinus ailment and cold.

The Publisher and employes place a high estimate on her services at the plant and are bearing uncertainly the added responsibilities caused by her absence.

10 Years Thrift Yields New Car

Ten years ago a Beaumont Negro started saving for a new car.

Tuesday he walked into a sales room and picked out a shining $3,000 model.

In payment, he lugged out two bags containing 5,400 quarters and 800 dimes and a roll of currency.

It took two salesmen four hours to count the money and complete the transaction.

Friends of Mrs. Homer Allen will regret to learn she is ill in Newton Memorial Hospital.

ARMORED BATTALION PASS THROUGH CITY

Cameron will welcome the 42nd Armored Infantry Battalion Monday, April 4 as it passes through enroute to Army Day parade in Houston.

The main body of the battalion is expected to pass through Buckholts at 7:45 a. m. on Monday, April 4 and through Cameron at 8:10 and through Milano at 8:40 a. m.

The "Hell on Wheels" 2d Armored Division is sending the 42nd Armored Infantry battalion, commanded by Lt. Col. Carter L. Hilsabeck; the division band, commanded by Chief Warrant Officer Daniel Miller, and approximately eighty-three vehicles including three tanks and two self-propelled howitzers, and one self-propelled assault gun, to take part in the Army Day parade in Houston on April 6, it was announced by Major General James G. Christianson, Commanding General of Camp Hood and the 2d Armoured Division.

This "capsule division" will represent all elements of the full armored division except the air support. Personnel will number 700 officers and enlisted men.

The heavy equipment will leave Camp Hood in convoy Sunday, April 3, and the main body will follow the next day. The band, consisting of one warrant officer and fifty enlisted men, will leave April 5.

Major A. W. Holt, Public Information Officer at Camp Hood, was in Cameron Monday to give newspapers details of the battalion movements through this county on way to Houston.

The people here and in the towns along the route will see a formidable array of modern equipment as the men move on Houston for the Army Day program.

MILAM DRUG SLATES BIG BARGAIN FEST

Milam Drug Co. has announced an early spring sale called Value Giving Days. This sale opens Thursday, March 31.

The Walgreen store features a wide variety of merchandise and this sale is strictly a cross section of the big store's stock of merchandise.

This sale calls attention to the highly successful management by Clifton S. Dunn.

Mr. Dunn is especially proud of the pharmacy department of the store. He is a graduate Pharmacist with 10 years experience, a graduate of University of Texas School of Pharmacy. The store is open seven days a week.

The store features a number of departments. In the big cosmetics department a specially trained cosmetician, Mrs. W. O. Rinn is in charge.

The fountain and lunch service department is highly rated for precautions in sanitation and all employes hold certificates of good health.

Modern sterlization equipment is used and the public is invited to inspect the kitchen.

The store has 18 employes and is modern throughout, being air conditioned and very attractive in summer.

Mr. Dunn caters to the farm country, stocking insecticides, vaccines, poultry and live stock remedies and spray equipment.

ASLEEP AT WHEEL

W. E. Taylor of Abilene was slightly injured around 1 a. m. Tuesday when his car overturned into a ditch on highway 36 east of the City.

According to Jack Gaines highway patrolman, Taylor fell asleep at the wheel of his car.

MARKET STIMULATED AS BUYING INCREASED

The Federal Reserve Board tonight cut the cash down payment required on stock purchases from 75 to 50 per cent of the price of the securities, effective Wednesday.

This action had long been demanded by securities dealers and by New York Stock Exchange President Emil Schram in the hope that it would lift markets out of doldrums that have kept trading at an unusually low level for months.

The Reserve Board explained it was relaxing the margin requirements "in the light of the general credit situation."

This was a strong indication that the board believes that inflation has ceased to dominate the economic situation.

Earlier this month, the board had relaxed controls over installment buying credit, giving a longer term for installments on Purchases of automobiles, furniture, refrigerators, washing machines, radios, and several other household items.

The 75 per cent margin requirement on stock transactions had been in effect since Feb. 1, 1947. For the 11 months before that, the margin had been 100 per cent—meaning that stocks had to be paid for entirely in cash.

The board was authorized by Congress to fix the minimum cash down payment to prevent "excessive use of credit" in the stock markets across the country.

Officials said credit outstanding on stock transactions now is at near an all-time low. The market for weeks on end has been practically asleep, with daily turnover averaging only about 700,000 shares, as was the case today.

JAMES C. RISINGER IS BURIED IN LOUISIANA

James Clyde Risinger, 48, mechanic at the John Muse Motor Company died from a heart attack at his home here at 3:00 p. m. Friday, March 18.

Mr. Risinger left his post at the Motor Company for lunch as usual and became ill around 3 p. m. He passed away a few minutes later.

He had been a resident of Cameron for the past year and had been with the Buick agency owned by Mr. Muse for several months.

Mr. Risinger was born in Spearsville, Louisiana on July 1, 1900 and is survived as follows: his widow, Mrs. Willie Reynolds Risinger, Jr., and daughter, Mrs. Oscar Zotz of Cameron; his mother, Mrs. Lillie Risinger of Spearville, La.

Surviving also are six brothers and four sisters as follows: Willie Risinger of Eldorado, Arkansas; and Fred Risinger of Strong, Arkansas; Bynum Risinger, E. D. Risinger, Jake Risinger and Elgie Risinger all of Spearsville, La., Mrs. George Bennett and Mrs. Tom Bennett of Spearsville, La., Mrs. Grady Carroll of Lake Charles and Mrs. Fred Futch of Farmersville, La.

Funeral services was held Sunday afternoon at Spearsville, Louisiana. The body was taken to the old home there by the Kilpatrick Funeral Home.

District Court Sentences Grimes To 2 Years

Ben Grimes was tried in District Court Saturday for forgery in Milam County and received two years.

He had been previously tried for the same offense in Mitchell county on three indictments and received two years in each case.

Mrs. Dupree Key of Gause shopped in Cameron one day this week.

FIRST UNIT $45,000 MAINTENANCE SHOP

Cameron had taken its major progress step of the year Monday as final plans were completed for the first unit of a National Guard Armory that eventually will approximate some $300,000 it was disclosed by L. G. Smith, Manager of the Chamber of Commerce.

John C. Andres, President of the Chamber of Commerce, was enthusiastic over the development in which he took a major part late last week in the delivery of a deed to 20 acres of land to the Military Department of the State of Texas in Austin.

Bismark Horstmann who was serving in his best capacity as director of financing for the Chamber, anticipated a quick payment of a small obligation the transaction imposed upon the community for this major development and benefit.

The Chamber of Commerce was able to make an exceptional deal in getting the site for the armory.

A tract of 20 acres of land has been purchased from E. H. Boedeker, located at the western end of the city limits with considerable frontage on Highways 36 and 190 and on the old Waco Crossing Road. Ample frontage is also provided in the deed, along the street facing east, reached by the left turn off West Main.

Cameron was enthusiastic over this development and would no doubt clear up the small balance due on this site immediately when the committees begin the canvas.

Through the fine co-operation of Mr. Boedeker deed was made possible. A balance due him is to be paid within the next two weeks. The Chamber was able to pay more than half the required $6000 necessary for the sight. Having obtained a deed without lien the government can now proceed with plans.

Mr. Smith explained that the immediate plan calls for the construction of a Maintenance & Repair Shop to cost $45,000. This building is 52x108 and must be built in one year.

The major plan calls for an Armory 110x160 to cost an estimated $300,000. The second story of this Armory will house a convention hall 100x150 feet for public use.

All costs of construction both of the maintenance and repair unit and the Armory is paid by the government. The people here will have only to furnish a sight.

MILTON SCHILLER FOR MEMBER OF COUNCIL

Milton Schiller, prominent young Cameron business man, is a candidate for a place on the City Council subject to the election to be held on Tuesday, April 5.

Mr. Schiller is offering for a place on the council because he wants to serve the people in this responsible place and because a large number of citizens requested that he offer for a place on the council.

Mr. Schiller is a young man, 32 years old and a heavy taxpayer. He believes that to give the best possible service as a member of the council one should be familiar with business conditions and to know something of the tax payers point of view.

He is stressing economy and believes the City can get something for the money that is being collected, provided economy is put into practice in the most effective way.

Mr. Schiller is associated with his brother in the Dodge and Plymouth agency and they are planning a large investment in the future of Cameron.

Mr. Schiller is an experienced business man and has a number of ideas and plans he feels would be of help to the City.

He will greatly appreciate your vote and support in the election to be held next Tuesday.

Mr. and Mrs. Cecil Tindall and children, Darrell Tindall of San Antonio and Miss Edith Taylor of Mary Hardin Baylor in Belton spent the week end visiting Mr. and Mrs. H. C. Tindall in Cameron.

.6 RAIN REPORTED HERE SATURDAY MORNING

(From the Daily)

Cameron and vicinity received .6 inches of rain during Friday night. Thunder, lightening and gusty winds accompanied the intermittent showers.

At least 18 persons were injured in a tornado at Desdemona, Friday afternoon as tornadic winds lashed Dallas, Seymour, and Benjamin, causing heavy damage.

Hail, windstorms and rain storms swept many other areas.

18 tornado victims from near by Desdemona had been brought to the hospital. Desdemona, in Eastland county, has a population of 259. Gorman, in the same county, is about 12 miles to the southwest.

16 houses in Gorman were completely demolished and many were damaged.

The Dallas whirlwind, swirling in a funnel-shaped cloud, damaged six buildings in a row in the Cedar Crest area. Flat roofs of the buildings were lifted up and hurled across the street. One man was hurt.

Another tornadic wind struck at Seymour, southwest of Wichita Falls. The twister unroofed a construction company lumber shed and a cotton compress warehouse. The buildings were half a mile apart. Total damage was estimated at $5000.

Windstorms swept Gainesville and Greenville.

Winds up to 62 miles per hour rattled El Paso.

Gene Walker of Hanover visited in Cameron Saturday.

Dr. Shapiro Home From Galveston

Dr. David Shapiro has returned to his duties here with the clinic. He has been away for a week or more in Galveston taking a course in obstetrics.

Keeping abreast of developments in the medical professions requires frequent post graduate courses and Dr. Shapiro is up to the minute in his practice.

Dr. and Mrs. Shapiro recently occupied their new home on North Harding Avenue.

Mrs. Wells Smith attended a luncheon at the Hamilton House in Waco Wednesday.

Reds Snub Mark Ban In Berlin

The Russians said Monday night they would take no restrictive action against the Western ban on circulation of the east mark in western Berlin.

The acting Soviet commandant for Berlin said the Russians were refraining from counter-measures "to help the population of Berlin's western sector.

Many Berliners had expected the Russians to make some retaliatory move.

Earlier Monday Russian-controlled German police tried to prevent western Berliners from going on a buying spree with surplus east marks at raition-free stores in the Soviet sector.

The Western occupying powers issued their ban on the Soviet zone currency Sunday. They pointed out it had not been possible to reach agreement with the Russians on a single four- power currency for the Soviet-blockaded city. Last June the Russians had made it a crime for anyone to possess west marks in their entire occupation zone, including Berlin.

Patients At Newton Hospital Fare Well; All Rooms Occupied

Hospital facilities in Cameron are especially attractive.

The publisher in an early morning visit to Newton Memorial Hospital Sunday to see friends who are patients there, found a busy center with Dr. Newton on the job and the hospital filled to capacity.

Two patients were happily on their way home, making room for others who were awaiting hospitalization. The hospital is a complete plant, operated on a highly efficient schedule and well staffed with competent nurses with Frances Michna in command.

A note of progress speaks of plans for a new clinic and hospital building in the future. Additional nurses are soon to report to the staff.

JESTER WILL SIGN BILL BARRING REDS

Gov. Beauford H. Jester said Wednesday he would sign a legislative resolution barring "disloyal" students from state colleges.

The resolution was adopted by the House Tuesday after long and one-sided debate. It passed the Senate Wednesday so quietly spectators could have heard a Hammer and Sickle hit the carpeted floor.

President T. S. Painter of the University of Texas said he would comply with the "letter and spirit of the legislative mandate" whenever it becomes effective. The Governor's approval would make the resolution final.

What reaction may follow the anticipated expulsion of a self-avowed Communist attending the University of Texas, whose activities before legislative committees stirred the resolution's authors into action, was not known. But there was speculation concerning the possibility of legal action by the Communists if the student is expelled.

It is probable that the student will be asked to resign from the University rolls. Heads of other state colleges are expected to take action against any student known to be disloyal to the United States.

The resolution authorized and directed school administrators to investigate questionable student loyalty. There were hints that the Attorney General would be asked for an opinion as to the legal force or standing of the resolution. It was sponsored in the House by Rep. Sam Henna of Dallas and Rep. Preston Smith of Lubbock.

W. C. Kohring of Rosebud, Rt. 3 was in Cameron this week, and reported that they received a good rain in that community on Sunday night.

NARCOTICS IN LOOT TAKEN BY BURGLARS

What Falls county Sheriff Brady Tamplin said was probably a professional band burglarized the Ruble drug store in Lott early Sunday and got about $1,500 in cash, narcotics and jewelry.

H. R. Gwyn, III, a clerk at the store, noticed the front door was ajar when he went down at 7 a. m. Sunday to open up. He immediately notified owner W. G. Ruble.

City Marshall A. L. Turnispeed said he ended his night patrol at 4 a. m. and that the door was not open at that time. He, the sheriff and Deputy Powers are working on the case.

The two county officers attempted to find fingerprints, but found no sign of them.

A crow bar was used to pry the lock off the front door. The knob was knocked off the safe and about $900 in currency, silver and checks removed.

A jewelry case in the store was opened and watches, pearls and a vainity case taken. With the exception of a few tablets on a counter, the narcotics supply of the store was completely wiped out.

Mr. Ruble has been in business at Lott 38 years and this was the first time the store had been burglarized. He carried $1,000 insurance on the contents of the safe but none on the other items.

Navy Veterans To Receive Medals

All Navy Veterans of World War II are invited to apply at the Temple Post Office and receive the medals due them, any time between 8:00 a. m. Tuesday, March 29 and 4:00 p. m. April 1, the local Navy Recruiter announced today.

The chief added that original discharge papers are required for issue. The recruiting Station will also be open for enlistments.

The 1949 parity ratio will most likely be somewhat lower than the 1948 parity on all these crops, therefore the 1949 support prices will be slightly lower than the 1949 prices.

The Baptist Hour Program

Dr. J. D. Grey opens The Baptist Hour series, "Consider Jesus," Sunday, April 3. He is the first man chosen to preach an entire series of thirteen weeks since the program's inauguration in 1941, according to S. F. Lowe, Director of the Radio Commission of the Southern Baptist Convention, Atlanta.

In May, Dr. Grey begins his thirteenth year as pastor of the First Baptist Church of New Orleans, La. For ten years he has conducted "The Gospel Hour" over WSMB, New Orleans, and now has three regular services broadcast over local stations each Sunday.

A graduate of Union University and Southwestern Baptist Theological Seminary, Dr. Grey has for ten years been a member of the Home Mission Board; is now President of the Louisiana Baptist Convention; and also president of the Southwide Alumni Association of Southwestern Seminary. He is much in demand as a revival preacher, accepting five to seven meetings each year; and in July will fill his third week's engagement at the Southwide Training Union Assembly at Ridgecrest. In 1946 and 1947 he preached sermons at the Southern Convention.

A native of Kentucky, Dr. Grey claims the same home town as Vice President Alben W. Barkley, Paducah.

The Baptist Hour series, with Dr. Grey as preacher, will be heard over WFAA Dallas Sunday mornings, April through June at 7:30.

NEW FORMULA TO KILL HOPPERS ANNOUNCED

Watch out for the grasshoppers the first part of April advises J. D. Moore, County Agent. The hoppers should start hatching out along the fence rows and ditch banks during April if the weather continues favorable. Bran sawdust bait will not be distributed in Milam county this year. The new insecticides give a quicker kill and continue to kill longer than the standard bran bait. They are most effective when used on weeds along roadsides, fence rows, ditch banks, pastures or waste land where the grasshoppers have hatched.

DOSAGE TO USE—Chlordane and toxaphene may be used either as a spray or dust. Sprays in general are more effective than dusts and kill for a longer time. When applying sprays use 1 pound technical chlordane or 1 1-2 pounds technical toxaphene per acre. To spray one acre 50 to 100 gallons of spray will be needed, depending upon the type of spray machine used. The following dilutions should be used:

Chlordane—Use - quart 45 per cent emulsion or 2 pounds 50 per cent wettable powder per 50 to 100 gallons water to spray one acre.

Toxaphene—Use 1 qaurt 55 per cent emulsion or 2 1-2 pounds 40 per cent wettable powder per 50 to 100 gallons water to spray one acre.

When using dusts apply 1 1-2 pounds of either technical toxaphene or chlordane per acre when grasshoppers are small. As grasshoppers grow larger the dosage must be increased for either toxaphene or chlordane. When grasshoppers are small use 15 pounds per acre of either 10 per cent toxaphene or chlordane dust. When grasshoppers are larger increase the dosage to 18 or 20 pounds per acre, or use 10 pounds of 20 per cent toxaphene per acre.

Time for application—If these new insecticides are to be effective they must be applied at the right time and in the right places. Watch for dangerous infestations of young grasshoppers on fence rows, ditch banks, pastures or waste land near cultivated crops. Spray or dust these infestations as soon as hatching is complete. In general this will be about 7 to 10 days after the first young grasshoppers appear and before they begin to spread to other areas including cultivated crops. At this time comparatively small areas will need to be treated and the small grasshoppers are easy to kill. Do not wait until they move into cultivated crops.

When alfalfa fields are infested it is most economical to cut the alfalfa and apply control measures to protect the next crop. After the alfalfa is cut spray or dust the field margins, or leave uncut strips of alfalfa where the grasshoppers will concentrate after the first crop is removed.

Precautions—Do not feed forage treated with these new insecticides to dairy cattle or to animals being finished for slaughter. The same applies to treated pastures. At dosages recommended there is apparently no immediate danger to the animals being fed or pastured, but these insecticides may accululate in the fatty tissues of the animals and are given off in the milk and butterfat. Animals fed for long periods on treated forage may accumulate enough of these chemicals to make meat and dairy products unfit for human food.

Avoid applying these insecticides to legumes in bloom to prevent poisoning bees. Bees are essential for pollination and should be protected when possible. Sprays are less harmful to bees than dusts.

ANTON R. STECHER BURIED HERE SATURDAY

Funeral services were held for Anton R. Stecher at St. Monicas Catholic Church, at 9:30 a. m. Saturday, March 26, 1949, with Rev. Ben Holub pastor of St. Cyril and Methodius Church at Marak, and Rev. George Duda, pastor St. Monicas Church, Cameron officiating. Burial was made in St. Monicas cemetery, with Marek-Burns Funeral Home making the arrangements.

Mr. Stecher, 57 was a native Texan, and was born in 1892. He died at St. Edwards Hospital, at 10:45 a. m. Friday, March 25, after suffering a heart attack several days prior to his death.

Among his survivors are his mother, Mrs. Annie Stecher Marak of Cameron, three sons: Robert A. Stecher of Temple, Lane E. Stecher, Waco and Earnest Edward Stecher of Bartlett, two daughters; Mrs. Raymond Cykala of Corpus Christi and Mrs. C. E. Cameron of Temple.

He is also survived by one brother, Rudolph Stecher of Buckholts and three sisters; Mrs. B. J. Matocha of Cameron, Mrs. A. J. Bristik, Houston and Mrs. R. E. Cook of Waco. One grandchild also survives.

Pallbearers were: R. A. Marak, Fred Matula, J. L. Marak, Edwin Stecher, Frank Walzel and Leroy Stecher.

FRED C. KNIPP DIED IN LYNCHBURG, VA.

News was received Monday afternoon of the death of Fred C. Knipp of Lynchburg, Va., who died suddenly of a heart attack at 9:00 a. m. Monday, March 28.

Mr. Knipp was the youngest brother of Mrs. K. K. Robbins of this city.

Born and reared in Cameron, Mr. Knipp has many friends here who will remember him as a child. He was 52 years of age.

After graduation at Brownwood high school Mr. Knipp attended the University of Texas and served in World War I. When his Transport sailed from Newport News, Virginia he met Frances Royal of Petersburg, Virginia and after the war they were married and have resided in Virginia since.

Mr. Knipp is survived by his widow, a daughter and two sons. He is also survived by two sisters; Mrs. L. A. Donnell of Canyon, Texas and Mrs. K. K. Robbins of Cameron, one brother, Earnest Knipp of Houston; a half brother, Otto Knipp of Raymondville and a half sister, Mrs. Lena Hoy of San Antonio.

Earnest Knipp will leave Houston by plane today to attend the funeral which will be held at 5:00 p. m. Wednesday. He will be joined there by a nephew, Alton Donnell.

Arnold Ashenbeck of Milano was a visitor in Cameron one day this week.

NEW SUPPORT PRICES ON FEED CROPS HERE

The Department of Agriculture announced the 1949 support programs on oats, barley, rye and grain sorghums recently. The price support for oats will be based on a rate to 70 per cent of parity as of April 15, 1949. Barley and rye support price will be equal to 72 per cent of parity as of the same date, and the support price of grain sorghum will be equal to 70 per cent of parity. Loans and purchase agreements will be available from harvest through January 31, 1950.

The 1948 support price on oats was based on 70 per cent of parity, rye was based on 72 per cent of parity, barley on 75 per cent and grain sorghum on 77 per cent.

CHRISTIAN SCIENCE SERVICES

"Unreality" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 3.

The Golden Text is: "Thou hast dealt well with thy servant, O Lord, according unto thy word . . . Through thy precepts I get understanding: therefore I hate every false way" (Psalms 119:65, 104).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "I have not spoken in secret, in a dark place of the earth: I said not unto the seed of Jacob, Seek ye me in vain: I the Lord speak righteousness, I declare things that are right" (Isaiah 45:19).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Baker Eddy: "Temporal things are the thoughts of mortals and are the unreal, being the opposite of the real or the spiritual and eternal" (page 337).

BODY FISHED FROM MURKY SWIMMING HOLE

Little Bobby Lee took his last swim in the murky waters of White Oak Bayou in Houston Tuesday afternoon.

Nearly three hours after he and his two best "buddies" crossed the railroad tracks and disappeared into woods surrounding their favorite swimming hole, "Ole Sycamore," the limp body of 11-year-old Robert Lee Hall was fished from the muddy bayou at the foot of Leroy Street.

Members of the Harris County Emergency Corps worked frantically up and down the sand banks of the winding stream along with 200-odd volunteers who gathered at the swimming hole until his body was found at 6:50 p. m.

With the crowd watching with tearful eyes was Gene Follis, 10, and Joe Ed Williams, 13, both of whom tried desperately to save their chum when he began splashing arround in the strong current.

Little Bobby, son of Mr. and Mrs. H. A. Hall, of 5628 Larkin, raced home from Stevenson Eelementary School Tuesday afternoon with the happy thought of going to the woods with Gene and Joe Ed.

Mrs. Hall, who works during the day, didn't know of her son's tragic death until she came home about 5:30.

Bobby Lee is survived by his parents and a three year old brother, Alfred Leon. Among his other survivors are two aunts, Mrs. Gene Blake and Miss Dorothy Merchant of Cameron and his grandfather, R. A. Merchant of Franklin.

Funeral services were held in Houston Wednesday evening and the remains were brought to Franklin, where short services were conducted Thursday with burial in the Franklin cemetery.

Pfc. B. C. Caldwell Reports to Air Force Radar School

Pfc. Berry C. Caldwell, 17, son of Mr. and Mrs. B. C. Caldwell, Rt. 1, Box 362, Cameron, has reported to Keesler Field, Mississippi to begin training in the Air Forces Radar School located here.

Keesler Field is one of the Bases of the Technical Division, Air Training Command, and is also the home of the Airplane and Engine Mechanics School and the Air Chemical School.

The training Pfc. Caldwell receives in the Radar School will extend over a period of 20 to 36 weeks, 16 of which will be an introduction to the fundamentals and principals of elementary electronics as applied to radar. The second phase of this training will be either in the advanced Ground Equipment Course or the Air Borne Equipment Course.

This training will qualify him to maintain the Air Force radar equipment so vital to the defense of America.

COLDER WEATHER TO WOVE INTO TEXAS

(From the Daily)

A mounting tornado toll had claimed 29 lives in five southern states, according to latest reports from the devastated areas Monday.

Socres had been injured and hundreds were homeless. Property damage would run into untold millions as the weather played a violent hop and skip across a wide area of the states.

Texas felt the storm as the havoc trail spread from Louisiana to Mississippi after battering the Lone Star State, Oklahoma and Arkansas.

The Red Cross national headquarters said Sunday it had made a preliminary allocation of $100,000 for relief. The report said that 300 homes had been destroyed in the disaster areas.

Weather forecasts at noon Monday had colder weather in the picture for Tuesday and Wednesday. It would be around 30 degrees in the upper Panhandle by Tuesday morning. Evidently the front was moving slowly and may not reach the Cameron area. The Barometer was falling. Cloudy and rain is forecast for East Texas by Tuesday or Wednesday.

A low of 35 degrees was reported at Pampa Monday morning.

Baptist Association Met in Thorndale

The Milam County Baptist Associational training union met at First Baptist Church in Thorndale March 20 at 3 p. m.

The main feature of the program was the Milam County BTU Eliminations contest.

Miss Joyce Woodum of the Milano Baptist church was winner of Intermediate Sword Drill contest and Miss Barbara Burts of Cameron won second place and will be a second alternate from the county.

Bible scripture momory contest for juniors were won by Miss Thelma Joyce Hayes and Miss Gloria Harber of the Cameron Battetown Baptist church.

BTU Elimination contests B. R. Fletcher of Cameron won the Better speech contest for young people. Clyde Cummings of Cameron was winner of the young adult devotional contest.

Those named above will represent Milam County Baptist at district 15 BTU elimination contests to be held at the Hyde Park Baptist church in Austin, March 29 at 7 p. m., competing for district honors.

Trial Starts For 11 Red Communists

The trial of 11 top U. S. communists, finally got under way before a jury Monday with a government charge that the defendants hold the key to an American revolution.

The 11 can set the time for an uprising of "force and violence," U. S. Attorney John F. McGohey said in his opening remarks to a federal court jury.

The defense ,through its chief spokesman, went before the jury in turn to insist that the party never has raised a hand against the U. S. government.

Eugene Dennis, secrtary general of the Communist Party in this country said the party consistently has taught the support of he U. S. government.

"It is a matter of public record," said Dennis, who is acting as his own attorney, "that we supported the Roosevelt adminsitration and vigorously campaigned for his re-election."

Mr. and Mrs. A. M. Hall of San Antonio have returned home after visiting in the home of Mrs. A. J. Hall in Milano and also visited relatives in Cameron.

LIVING COSTS DROP 5TH MONTH IN ROW

The cost of living has dropped for the fifth month in a row, and virtually all of the increase that occured in 1948 has now been wiped out, government figures showed Thursday.

The Bureau of Labor Statistics reported that its consumers' price index declined 1.1 per cent between Jan. 15 and Feb. 15. This fifth consecutive drop brought the index down to a point where it was only 0.9 per cent higher than a year ago.

The index figure on Feb. 15 was 169 per cent of the 1935-39 average. It was 27 per cent above June, 1946, when Office of Price Administration controls were abandoned, and 71 per cent higher than the prewar level of August, 1939.

The substantial cuts in food prices between January and February sent the index on that class of items down 2.5 per cent.

There were smaller declines for clothing and house furnishings. As a result of the three the index, which represents the retail prices of goods and services bought by moderate income families in large cities, took one of the deepest descents for one month since the war.

The food index on Feb. 15 was 199.7 per cent of the 1935-39 average, 8 per cent below the July 1948 peak. It was 2½ per cent lower than a year ago and 37 per cent above the June, 1946, level.

Food prices dropped in all fifty-six cities surveyed. Some foods, like eggs, fats and oils and dairy products, hit the lowest marks in a year and a half or more.

Caso March Quits Baylor Faculty To Run for Governor

Caso March will devote full time after June 15 to his race for governor of Texas in 1950.

He announced his permanent resignation Tuesday from the Baylor University law school faculty, effective June 15.

March is the first entry in the race. He was an unsuccessful candidate for governor last year.

Dr. W. R. White, Baylor president, confirmed March's resignation. Last June March resigned from the faculty to make the race and returned after his defeat.

Mr. and Mrs. Bill Morriss of Temple are planning to spend the week end with Mr. and Mrs. Plentl in Cameron.
